Warsaw. 26.04.2012

### **Opening for a Professor position at the Center for Theoretical Physics, PAS**

The Director of the Center for Theoretical Physics PAS, invites applicants for the post of Professor at the CTP, PAS. Candidates should have at least a habilitation degree, or equivalent.

Currently CTP PAS conducts research in the following fields:

- analysis of physical phenomena in strong electromagnetic and gravitational fields
- analysis of quantum theories as to their congruence with the relativity theory
- quantum mechanics of non-linear and complex systems
- physical foundations of information processing
- thermodynamics and mechanics of mesoscopic quantum systems
- selected problems in physics of condensed matter
- the Universe in various time scales
- high energy astrophysics

We welcome candidates with a substantial academic reputation in broadly defined area of theoretical physics, documented skills in obtaining research grants and building

own research teams as well as the willingness to cooperate towards increasing the academic potential of the Center.

The candidates should submit the following documents:

1. Description of academic subjects of interest and plans of academic research
2. List of publications.
3. List of research projects directed by the applicant.
4. Curriculum vitae.
5. Certified copy of the document confirming habilitation (or equivalent).
6. Certified copy of the identity card.
7. Personal questionnaire form (to be obtained from the CTP PAS secretary).

to the secretariat of the Center at al. Lotników 32/46, Warsaw, before May 31, 2012.

In addition, please send documents 1-4 to e-mail address [konkurs@cft.edu.pl](mailto:konkurs@cft.edu.pl).

The winning candidate will be selected by June 15th, 2012. The applicants will be informed about the results of the recruitment procedure by mail. The winning candidate will be offered a permanent Professor position at the CTP.
