Open PhD position in Center for Theoretical Physics

The Director of the Center for Theoretical Physics PAS invites applicants for the post of a research assistant (asystent) at the CTP PAS. The position will be financed from the research grant no. DEC-2011/02/A/ST1/00208 "Solvability, chaos and control in quantum systems" of the National Science Center. Candidates should have a master degree in physics or equivalent at the moment of application.

We welcome candidates attracted by scientific research in the area of mathematical physics, especially theory of dynamical systems and applications of differential geometry and group-theoretic methods in physics.

The candidates should submit the following documents

1. Curriculum vitae including possible scientific achievements like a list of publications, participation in research projects and conferences,
2. Certified copy of the M. Sc. diploma,
3. Certified copy of the identity card,
4. Personal questionnaire form (to be obtained from the CTP PAS secretariat),
5. Possible recommendation letters,

to the secretariat of the Center, al. Lotników 32/46, 02 668 Warszawa, Poland, before July 31, 2013.

The documents must also be submitted by email to marek@cft.edu.pl with CC to cft@cft.edu.pl

The winning candidate will be selected by August 15, 2013. The applicants will be informed about the results of the recruitment by mail. The winning candidate will be offered a temporary position of a research assistant (asystent) for one year with the possibility of extending the appointment until the end of the project (April 30, 2015).

For further enquiries please contact prof. Marek Kuś marek@cft.edu.pl
