Warszawa, dn. 26.01.2023 r.

The Director of the Center for Theoretical Physics PAS invites applicants for a **postdoctoral** position in cosmology within the project *PACIS: Precision and Accuracy for Cosmological Imaging Surveys*, led by **Prof. Maciej Bilicki**, funded by the Polish National Science Center (grant agreement No. UMO-2020/38/E/ST9/00395).

The successful applicants will contribute to the research program of the Computational Cosmology Group at CTP PAS, and in particular to designing and applying optimized catalogs of galaxies for cosmological studies with deep wide-field imaging surveys, such as KiDS and LSST. The PACIS project is conducted in collaboration with partners from the KiDS, 4MOST and LSST DESC teams and the postdoctoral researcher will have the possibility to join these international consortia.

We seek a candidate with a Ph.D. degree (awarded no earlier than in 2016\*) in astronomy, physics or computational sciences, who has experience in handling astronomical data using machine learning or other computational techniques. Practical knowledge of deep learning and/or methods to select galaxies and estimate their photometric redshifts from modern imaging surveys will be additional assets.

The position is available initially for two years, with a possible extension for the third year, subject to satisfactory performance

Interested candidates should send a cover letter, a brief description of their past and planned research (max. 3 pages), a scientific curriculum vitae, signed RODO clause and a list of their publications, in one pdf file to [rekrutacja@cft.edu.pl](mailto:rekrutacja@cft.edu.pl). Applicants should also arrange for at least two reference letters to be sent to the same email address **until 15.03.2023..** Please write reference number **MB/03/2023** in the subject line of the e-mail.

The position can start at any time agreed with the candidate.

For further information please contact Prof. Maciej Bilicki ([bilicki@cft.edu.pl](mailto:bilicki@cft.edu.pl))

The Center for Theoretical Physics of the Polish Academy of Sciences is an equal opportunity employer. Women and members of under-represented groups are particularly encouraged to apply.

\* This can be extended in case of documented parental or sick leave; contact us for the details.

According to NCN regulations, this post is unavailable for those who received their PhD title at CTP PAS.

An interview is expected. Selection committee reserves the right to invite for the interviews only preselected candidates. The interviews are planned for the second half of March (the confirmation will be sent to the prospect candidates shortly after the application deadline).

The seniority of the candidates will not be preferred by default. Instead, the selection committee we will evaluate the expertise of candidates having in mind their qualifications and achievements at the career stage they are at the moment.
