## Opening for a student's scholarship at the Center for Theoretical Physics PAS

We invite applications for an undergraduate student's scholarship at the CTP PAS, financed from the SONATA BIS project entitled "*Characterization and certification of quantum resources*" (2019/34/E/ST2/00369). The project leader is **dr hab. Remigiusz Augusiak** (website: <http://raugusiak.weebly.com/>).

We are looking for talented **student of physics or mathematics** with a good background in theoretical physics (or mathematics), in particular in quantum physics. The subject of the project is widely-understood verification and certification of quantum resources. The aim of the internship is to familiarize with the subject of the project and then to do research on one of the problems specified by the project leader.

**Scholarship: 1500 PLN/month**

**Duration: 6 months**

The candidates should submit the following documents:

1. Curriculum vitae including the course of studies and possible scientific achievements (publications, participation in research projects, conferences, etc.).
2. Agreement for processing the data for the purpose of recruitment procedures (enclosed below).
3. Possible recommendation letter.

Submissions are to be received electronically (only pdf files) at the email **[rekreciacja@cft.edu.pl](mailto:rekreciacja@cft.edu.pl)** by the closing date of **October 4, 2024**. In your e-mail's subject please add the reference number: **RA/19/2024**.

The winner will be selected by **October 11, 2024**. Proposals will be assessed in accordance with the guidelines imposed by the National Science Centre:
